

Product data sheet

9070 N-1 EAN-No. 4000896**206407**

Application:

For motor-driven pneumatic tools with air inlet outside thread $\frac{1}{4}$ " (12.91 mm)

- Automatic oiling for extending the service life of your pneumatic tools
- Refillable, filling capacity 28 ml
- Particularly lightweight, compact design
- Threaded insert in the filling nozzle
- Max. air flow: 2612 l/min
- Air connection inlet: outside thread (AG) 12.91 mm ($\frac{1}{4}$ ")
- Air connection outlet: inside thread (IG) 12.91 mm ($\frac{1}{4}$ ")
- Max. working pressure [bar]: 10 bar
