

# Product data sheet

## 4972-1

EAN-No. 4000896215423

### Application:

Secure retention and movement of heavy components, e.g. when disassembling and assembling brake callipers and wheel hubs on commercial vehicles

- Allows you to work safely, without straining your back, in tight spaces in the wheel arch on trucks, buses, trailers and trailer axles
- **Brake calliper holder**
- Maximum load: 35 kg
- Makes fitting screws easier
- Takes the various installation situations of the brake callipers into consideration
- Easy to use
- One-hand operation via spindle
- Second person not required
- Setting range min./max.: 716 – 911 mm
- Made in Germany
