

Product data sheet

650 RF/2 EAN-No. 4000896206896

L x W: 535 mm x 30 mm

Application:

Safe and damage-free installation, especially of run-flat and low profile tyres

- Optimised construction (reinforced, rounded, blunt edges) to prevent damage to the tyre casing
- Plastic protective sleeve prevents scratching of the rim and protects against slippage
- Set consisting of run-flat tyre lever 650RF and plastic protective sleeve 650RF-01
- The reinforced tyre wall on "run-flat" tyres and low profile tyres is significantly more rigid than the casing of conventional tyres. Using non-optimised assembly levers leads to tyre damage
- Made in Germany
- Dimensions / length: 535 mm x 30 mm
